The Winnipeg Wards Boundaries Commission
La Commission de délimitation des quartiers électoraux de Winnipeg

Council Building, 510 Main Street, WINNIPEG, Manitoba R3B 1B9 Tel. 986-3732

The Honourable Gerald Ducharme
Minister of Urban Affairs
317 Legislative Building
450 Broadway
Winnipeg, Manitoba R3C 0V8

Dear Mr. Ducharme:

In accordance with its mandate under The City of Winnipeg Act, the Winnipeg Wards Boundaries Commission (1988) held the Public Meeting to hear representations concerning its report dated December, 1988.

The Commission has considered all of the submissions and has made certain revisions to the boundaries of some of the electoral wards in the City of Winnipeg.

The Commission has the honour of submitting its final report and recommendations.

Respectfully submitted,

Ben Hewak, (Chairman),
Chief Justice, Court of Queen's Bench

A. Ross McCormack,
Acting President, University of Winnipeg

Robert B. Hayes,
Returning Officer, City of Winnipeg

March 30th, 1989

L'honorable Gérald Ducharme
Ministre des Affaires urbaines
Palais législatif, bureau 317
450, Broadway
Winnipeg (Manitoba) R3C 0V8

Monsieur le ministre:

Dans le contexte de la Loi sur la Ville de Winnipeg, la Commission de délimitation des quartiers électoraux de Winnipeg (1988) a tenu une audience publique pour entendre les observations relatives à son rapport daté du mois de décembre 1988.

La Commission a étudié tous les exposés reçus et a apporté des modifications aux limites de quelques-uns des quartiers électoraux de la Ville de Winnipeg.

La Commission a l'honneur de vous soumettre son rapport final et ses recommandations, et vous prie d'agréer, Monsieur le ministre, ses salutations respectueuses.

Ben Hewak (président)
Juge en chef de la Cour du Banc de la Reine

A. Ross McCormack
Président intérimaire de l'Université de Winnipeg

Robert B. Hayes
Directeur du scrutin pour la Ville de Winnipeg

le 30 mars 1989

Foreward

The Winnipeg Wards Boundaries Commission, established pursuant to Sections 5 and 6 of The City of Winnipeg Act, submitted its findings and recommendations regarding the ward and community boundaries for the City of Winnipeg to the Minister of Urban Affairs in December, 1988.

Following submission of its Report dated December 1988, the Commission was governed by the following sections of The Act:

"6(6) Upon receipt of the commission's report pursuant to subsection 5(4) the minister shall send a copy thereof to the returning officer who shall cause the report to be published in such manner and as often as, in the opinion of the minister, is necessary to ensure general public distribution to the inhabitants of the city."

"6(7) After the report has been published, the returning officer shall cause to be published, in at least two newspapers having a general circulation in the city, once each week in two successive weeks with not more than seven days between each publication, a notice signed by the returning officer stating

(a) that a copy of the commission's report may be obtained from the returning officer at a place, at times, and in a manner stated in the notice; and

(b) that the commission will sit on a day, not earlier than 15 days after the first publication of the notice, and at a place and time, stated in the notice, to hear any person desiring to make a representation with respect to the commission's report."

"6(8) On the day and at the place and time stated in the notice, the commission shall sit and hear any person desiring to make a representation with respect to the commission's report."

"6(9) The returning officer shall

(a) record the proceedings of the hearing in subsection (8);

(b) ensure that the minister receives a copy of that record of the proceedings; and

(c) forward to the minister any recommendations of the commission."

Avant-propos

La Commission de délimitation des quartiers électoraux de Winnipeg, constituée en application des paragraphes 5 et 6 de la Loi sur la Ville de Winnipeg, soumettait ses conclusions et ses recommandations sur les limites des quartiers électoraux et des districts de la Ville de Winnipeg au ministre des Affaires urbaines en décembre 1988.

Suivant son rapport daté du mois de décembre 1988, la Commission devait se conformer aux paragraphes suivants de la Loi:

"6(6) Sur réception du rapport de la Commission conformément au paragraphe 5(4), le ministre en envoie copie au directeur du scrutin qui le fait publier aussi souvent que le ministre le juge utile et de la manière que celui-ci estime nécessaire afin de s'assurer que le rapport fasse l'objet d'une diffusion générale auprès des habitants de la Ville."

"6(7) Une fois le rapport publié, le directeur du scrutin fait publier dans au moins deux journaux ayant une diffusion générale dans la Ville, une fois par semaine pendant deux semaines consécutives, un intervalle d'au plus sept jours séparant les publications, un avis signé par le directeur du scrutin qui énonce:

a) qu'une copie du rapport de la Commission peut être obtenue du directeur du scrutin aux date, heure et lieu et de la manière énoncés dans l'avis;

b) que la Commission siégera à la date, tombant au plus tôt 15 jours après la première publication de l'avis, ainsi qu'aux heure et lieu énoncés dans l'avis en vue d'entendre les personnes désirant faire des observations à l'égard du rapport de la Commission."

"6(8) Aux date, heure et lieu énoncés dans l'avis, la Commission siège et entend les personnes qui désirent faire des observations à l'égard du rapport de la Commission."

"6(9) Le directeur du scrutin doit:

a) enregistrer les procédures de l'audience visée au paragraphe (8);

b) s'assurer que le ministre reçoive une copie de l'enregistrement de ces procédures;

c) envoyer au ministre les recommandations de la Commission."

Public Hearing

In accordance with the requirements of The Act, the Returning Officer for the City of Winnipeg published a notice of meeting to hear representations concerning the Commission's report. The notice included the recommendations of the Commission as outlined in its report dated December, 1988 along with a map of the proposed ward and community boundaries. The public meeting was held on February 20th, 1989 in the West Committee Room, Council Building, Civic Centre. The Commission heard twenty-one public submissions at the hearing and received an additional five written briefs. The written submissions and summary of the oral submissions are on file in the office of the Winnipeg Wards Boundaries Commission, City Clerk's Department.

In making its final recommendations, the Commission considered all of the suggestions received to alter the boundary delineations. While the Commission endeavoured to adjust the ward boundaries as requested, it was not possible to satisfy all concerns. Many of the requests could not be accommodated due to the constraint imposed by the 10% deviation factor and other parameters defined within The City of Winnipeg Act for the delineation of boundaries. Local and community interests as well as the proposed names of the electoral wards were major concerns expressed at the public meeting. Insofar as possible, the requests for retention of historically significant ward names have been honoured.

Audience publique

Conformément aux prescriptions de la Loi, le directeur du scrutin pour la Ville de Winnipeg a fait publier un avis de convocation pour entendre les observations relatives au rapport de la Commission. Cet avis comportait les recommandations de la Commission, telles qu'elles sont énoncées dans son rapport daté du mois de décembre 1988, ainsi que la carte délinéant les limites des quartiers et des districts proposés. L'audience publique a eu lieu le 20 février 1989, dans la Salle de réunions ouest, Édifice du Conseil, Centre municipal. La Commission a entendu vingt-et-un exposés au cours de cette audience, et, en plus, a reçu cinq mémoires par écrit. Ces mémoires, ainsi que les résumés des exposés, ont été déposés au dossier de la Commission de délimitation des quartiers électoraux de Winnipeg, Bureau du greffier municipal.

En élaborant ses recommandations finales, la Commission a tenu compte de toutes les propositions reçues sur les modifications à apporter aux limites et a tenté d'accorder les limites des quartiers électoraux à ces demandes. Cependant, il lui a été impossible de répondre aux attentes de tous, en raison des contraintes imposées par l'écart maximal permissible de 10% du quotient, et par d'autres dispositions de la Loi sur la Ville de Winnipeg régissant la délimitation des quartiers. Les principaux sujets de préoccupation communiqués au cours de l'audience publique se rapportaient aux intérêts locaux, aux intérêts en commun, et à la désignation proposée des quartiers électoraux. Dans la mesure du possible, les demandes de garder les désignations historiques de certains quartiers ont été accordées.

Recommendations

In keeping with its mandate that each ward represent an equal number of residents within a 10% variation of the quotient established and that the boundaries of wards and community committees should respect historical community groupings, geographical features, community of interests and socio-economic needs of the citizens, the Commission recommends:

1. *That the ward and community boundaries delineated on the attached map dated March, 1989 and more specifically described in Appendix "II" be approved;*

2. *That the existing names of the community committees be retained and that the names of the wards as outlined in Appendix "III" be approved.*

Recommandations

Conformément aux termes de son mandat selon lesquels le nombre de résidents d'un quartier ne doit pas s'écarter du quotient par plus de 10% en plus ou en moins, et selon lesquels les limites des quartiers électoraux et des districts doivent tenir compte des communautés historiques, de la topographie, de l'intérêt commun et des besoins socio-économiques des citoyens, la Commission recommande ce qui suit:

1. *Que les limites des quartiers et des districts délinéées sur la carte ci-jointe datée du mois de mars 1989, et décrites plus précisément à l'Annexe "II", soient homologuées;*

2. *Que l'on garde les désignations actuelles des districts, et que les désignations des quartiers indiquées à l'Annexe "III" soient homologuées.*
